One Man Wounded in Vehicle Accident

MNB(E), Kosovo – A KFOR vehicle from MNB(E) conducted a patrol in the Kacanik area late Friday evening, when their vehicle struck a pedestrian.

Budova Rahim was walking home when he stepped into traffic and was struck by the mirror of the vehicle. The KFOR soldiers responded immediately by providing aide to Rahim and contacting emergency personnel.

“We would like to express our concern to Mr. Rahim and his family,” stated Brig. Gen. Jerry G. Beck, Commander of MNB(E). “This is a very unfortunate situation and we make every effort to avoid these types of accidents.”

Beck also commended the KFOR soldiers for their quick response in handling the situation and getting Rahim to the hospital.

Rahim was transported to Pristina Hospital by civilian ambulance and accompanied by a KFOR doctor. He is reported in serious condition. The accident is presently under investigation.
